

DOKUMENT: SAFETY DATA SHEET	SID NR: 1 (3)
PRODUKT/KUND: Proxident Mouthspray – mild lubricant with sunflower oil	VERSION NR: 3
AUTHORIZED BY/ GODKÄND AV: 	DATUM: 2014-05-22
CHANGES FROM LAST VERSION: Part 13. Adding of packing material specification	

## 1. Identification of substance/ preparation and of the company undertaking

Trade name: Proxident Mouthspray – mild lubricant with sunfloweroil

Manufacturer/ supplier: Orifice medical

Address: Aktergatan 2, SE-27155 Ystad

Contact: Anna Idin (QA)

Telephone: 0411-79 661

E-mail: [anna.idin@orimedical.com](mailto:anna.idin@orimedical.com)

Use: Lubricates dry oral mucosa

## 2. Hazard Identification

Danger: None known

Symbol(s):

## 3. Composition/ Information on ingredients

% w/w	Trade name	Chemical name	Cas nr	Classification, riskphras(es)
100	Akosun Sunflower oil	Hybrid sunflower oil	164250-88-8	-

## 4. First aid measures

Symtoms and effects: None

General: -

Skin/ eye/ inhalation: If product gets into eyes, rinse with plenty of water

Ingestion: handled as food

DOKUMENT:

Safety data sheet

SID NR:

2 (3)

PRODUKT/KUND:

Proxident mouthspray – mild lubricant with sunfloweroil

## 5. Fire-fighting measures

Extinguishing media: Foam, powder and carbon dioxid  
 Unsuitable Extinguishing media: water  
 Special exposure hazards/ combustion products: Acrolein in case of extrem heating  
 Protective equipment: Wear breathing apparatus

## 6. Accidental release measures

Personal protection: Be aware of risk of slipping  
 enviromental: -  
 Sanitation methods: -  
 Other: -

## 7. Handling and storage

Handling requirements: -  
 Lstorage requirements: In its original packaging, cool and dark

## 8. Exposure control/ personal protection

Exposure limits: -  
 Ventilation: -  
 Protective equipment: Avoid eye contact  
 Special hygien routine: -

## 9. Physical and chemical properties

Apparance: Spray bottle with a solution of sunflower oil  
 Odour/ taste: Oily  
 Form: Plastic spray bottle, liquid solution  
 pH value: 6,0  
 Melting point (°C): < 0 °C (solution)  
 Volatile properties: -  
 Flashpoint(°C): > 150 °C (solution)  
 Autoignition temperature: > 150 °C (solution)  
 Explosive prop/ limits: -  
 Oxidizing properties: -  
 Solubility in water: None  
 Organic solubility: Full  
 Other:

## 10. Stability and reactivity

General: Rancidity is accelerated by raised temperature, light and oxygen  
 Material and conditions to avoid: None  
 Hazardous decomposition products: Acrolein in case of extreme heating

DOKUMENT:

Safety data sheet

SID NR:

3 (3)

PRODUKT/KUND:

Proxident mouthspray – mild lubricant with sunfloweroil

## 11. Toxilogical information

General:	Non-toxic
Cancer/ reproduction	No effects
Skin, eye, ingestive, inhalation	Non-toxic

## 12. Ecological information

Bioackumulation:	None
Ecotoxicological effects:	None

## 13. Disposal considerations

General:	Disposal in accordance with local regulations
Packaging material	PE-HD (bottle) PP (spray pump and cap)
Special handling precautions:	-
Waste classification:	-

## 14. Transportation information

Class/nr//labelling:

Land:	-
Sea:	-
Air:	-

## 15. Regulatory information

Chemical description:	Food
Labelling:	-
Risk-phrases:	-
Symbol(s):	-
Safety phrase(s):	-
Other:	-
